Grenada Cruise Ship Advisory - March 16, 2020

Widespread Transmission of COVID-19

Due to widespread transmission of COVID-19, the Government of Grenada announces, that effective immediately, passengers will not be allowed to disembark from **ANY** cruise ship on the shores of Grenada, until further notice.

This is part of Government's ongoing efforts to ensure that the Tri-Island State of Grenada is protected as much as possible, from contracting and spreading the **COVID-19 virus**.

Given the fluidity of the global COVID-19 pandemic, please note that all air travel and cruise ship advisories are subject to change, as more information becomes available.
