

## EMBASSY OF GRENADA

**WASHINGTON, D.C. – June 23, 2025** – The Embassy of Grenada to the United States in Washington, D.C. successfully hosted a highly engaging virtual discussion on Consular Services for Grenadians in the diaspora on Monday, June 23, 2025. The event, which lasted approximately 90 minutes, provided an invaluable platform for Grenadian nationals residing abroad to gain comprehensive insights into various consular matters.

The insightful discussion was ably led by Mr. Marlon Joseph, a key Resource Person and Officer/Diplomat, whose expertise guided the proceedings. He was strongly supported by Consul General Brizan from New York, Deputy Consul General Frank from Miami, and Counselor Dr. Cornwall from Washington D.C., all of whom contributed significantly to the rich exchange of information.

Attendees actively participated, fielding approximately 29 questions through both the chat function and by raising their hands. The wide array of topics addressed included the intricate processes of citizenship by descent, marriage, and adoption, as well as naturalization. Furthermore, discussions delved into the requirements for affidavits and detailed information on essential documentation, including the comparison between baptismal certificates and birth certificates.

The Embassy is pleased with the success of this inaugural virtual event, which underscored the commitment to providing accessible and transparent information to the Grenadian diaspora. The robust engagement and the breadth of questions demonstrate the keen interest and need for such direct communication channels.

Building on this success, the Embassy of Grenada is eager to continue fostering open dialogue and addressing the specific needs of its diaspora. We encourage all Grenadians in the diaspora to submit any further issues or topics they would like to have discussed and explained in future Zoom meetings. Additionally, we welcome suggestions for any Grenadian officials they would like to see invited to share information and insights.

Your continued engagement is vital as we work together to strengthen our community abroad.
