Official Commencement of the 2026–2027 Academic Year

ST. GEORGE’S, GRENADA, AUGUST 13, 2026 – As the July - August vacation concludes, the Ministry of Education is pleased to welcome all new and returning students, teachers, principals, and support staff to the 2026–2027 academic year.

This advisory provides important information regarding reopening dates, school schedules, health and safety measures, and administrative preparations to ensure a smooth transition back to school.

1. Reopening Schedule

- **Staff Preparation Days:** Monday, August 24, to Friday, August 28, 2026. Schools will be open to staff only.
- **Orientation for New Students:** Schools will host their orientation engagements within the preparation week of school. All are asked to be guided accordingly by the school's schedules.
- **Official First Day of Classes:** Monday, August 31, 2026, to begin the Michaelmas Term. Full instructional schedules will begin promptly on this day.

2. Uniforms and Supplies

Students are expected to report to school in full compliance with their school's uniform policy from the first day of classes.

School supply lists for each education level are available directly from individual schools.

Parents and guardians benefiting from the School Uniform Assistance Programme are encouraged to refer to the approved list of vendors and supplies. This information is available on the Ministry of Education Grenada Facebook page.

For questions regarding class schedules, orientation activities, extracurricular programmes, or other school policies, parents and guardians should contact their respective school's administrative office.

The Ministry of Education thanks students, parents, teachers, principals, and all education stakeholders for their continued partnership and support. We look forward to a safe, productive, and successful 2026–2027 academic year.
